Size guide

How to measure?

All measurements should be taken directly on the body. The measurements are recommended guidelines for choosing a size, but the fit may vary depending on the specific style. All measurements are in centimeters (cm).

- 1 Measure around the widest part of your chest, just under the armholes. Wear a bra similar to the one you will wear with this style for the best fit.
- 2 Measure around the narrowest part of your waist.
- 3 Measure around the widest part of your hips.
